Catholics Are “PRO-LIFE” People

A Florida abortionist lost his medical license after he killed a healthy unborn baby while trying to destroy the baby's twin diagnosed with Down Syndrome. This was a legal but careless “selective reduction” for the parents who had used IVF reproduction. After the mistake was discovered, the parents decided to abort the remaining twin.

A Growing Parish = Involvement

Why To Return To Sunday Mass

(...National Catholic Register & FB)

1. It is your way to relive the Last Supper.
2. When was the last time you prayed too much?
3. If you want to spend eternity with Christ, you need to get to know him now.
4. It’s the central, necessary activity of Christian worship (Luke 22:14-23; John 6:53; 1 Corinthians 11:23-26)
5. It’s your best way to identify yourself with Christ’s sacrifice on the cross.

Quick Tip: Be early. Would you come late to your wedding?

Roman Missal Changes

Over the last several years, the Church has been working on an English translation of the Missal that is closer to the Latin version promulgated at the end of Vatican II. The parish will be supplied information on the wording changes well in advance of the starting date for using them on Nov 27, 2011.
