"Ignorance of Scripture is ignorance of Christ."

...St. Jerome

You can't, after all, love someone you don't know. So the more prayerfully you read Scripture, the more you will come to love it. The more you love Scripture, the deeper into it you will go. The deeper you go, the more clearly you will see Jesus Christ. The more clearly you see him, the more you will love him. And the more you love him, the more perfectly you will follow him.
