A Lenten Thought
Ashes on the Forehead
 In ancient times, many people used ashes for religious, magical and medical purposes. In the Old Testament, ashes were sprinkled on the head or over the whole body as a sign of mourning and penance.
 Receiving ashes on the first day of Lent is practice that dates back to the fifth century, and by the 11th century was universal Christian practice. During the Reformation, most Protestant Churches eliminated the use of ashes. In recent years, however, many of these Churches have resumed the practice.

Distribution of Ashes
 For Catholics, the most familiar prayer used on Ash Wednesday with the distribution of ashes is “Remember that you are dust and to dust you will return.”
 But the Catholic Church also provides an alternate prayer when ashes are distributed, “Turn away from sin and be faithful to the Gospel.” That prayer is taken from the Gospel of Mark ~ 1:15.
 ...*The Little Black Book*

“They are happy whose life is blameless, who follow God’s laws.”
 ...Psalm 119:1

A Gift From Your Parish
 “Lenten Meditations” ~ The Little Black Book is on the vestibule table.
 Please take one and make your Lent a deeper spiritual experience.
